Flexi Thin Client Holder

Product Code
• IS TCH 02 F

Sleek and user friendly, all Innofitt Monitor Arms free up space and allows customized positioning of your display to suit individual needs for greater productivity.

Reposition your monitor with just a touch. Forward, back, tilt up, tilt down and rotate. Exactly as you want it! Innofitt Monitor Arm helps you to increase viewing comfort and reduce eye, back and neck strain. Easy for bifocal users too. Just lower the screen and adjust, tilt for the perfect view through your bifocals.

Slide the arms up or down on the pole to meet your height requirements. Use the multi adjustments pivots to rotate 90 degrees for portrait views.
